CANCELLED

Since the receipt of the above mentioned Decision Refusing Status Under 37 C.F.R. § 1.47(a), the applicant has made additional efforts to locate the non-signing inventor. These efforts are detailed in the enclosed declaration. Applicant believes these efforts combined with the unsuccessful attempt to mail the application and a declaration to the non-signing inventor show that the non-signing inventor cannot be reached.

DATED this 15TH day of NOVEMBER, 2002.

Respectfully submitted,
